The State Level Bankers' Committee was constituted in April 1977, as an apex inter-institutional forum under the Lead Bank Scheme of the Reserve Bank of India to create adequate coordination machinery in all States, on a uniform basis for development of the State.

- SLBC meetings are required to be held regularly at quarterly intervals within 45 days from the end of the quarter. The responsibility of convening the SLBC meetings rests with the SLBC Convenor Bank of the State i.e. SBI, in case of Bihar. The meetings are chaired by the Chairman/ Managing Director/ Executive Director of the Convenor Bank and by the Additional Chief Secretary (ACS) or Development Commissioner (DC) of the State. In cases where the Managing Director/Chief Executive Officer/Executive Director of the SLBC Convenor Bank is unable to attend SLBC Meetings, the Regional Director / GM (O-i-C) of the RBI shall co-chair the meetings along with the ACS/DC of the State. A High Level of participation in SLBC meetings ensures an effective and desired outcome with meaningful discussion on issues of public policy of both the Government of India and the Reserve Bank of India.
- SLBC comprises representatives of commercial banks including SFBs, WOS of Foreign Banks, RRBs, PBs, State Cooperative Banks, RBI, NABARD, heads of Government departments and representatives of financial institutions operating in a State. Representatives of various organizations from different sectors of the economy like industry bodies, retail traders, exporters, farmers' unions, etc. along with the academicians and researchers may be invited as special invitees in the SLBC meetings.
- The Chief Minister/Finance Minister and senior level officers of the State/RBI (of the rank of Deputy Governor / Executive Director) may be invited to attend the SLBC meetings. Further, the State Chief Ministers are encouraged to attend at least one SLBC meeting in a year.
- In order to give impetus to the financial inclusion and financial literacy initiatives in the State one of the SLBC meetings in a year is held as a Special SLBC meeting to review the progress with greater focus.
- A Steering sub-committee is constituted in the SLBC to deliberate on agenda proposals from different stakeholders and finalize a compact agenda for the SLBC

meetings. Typically, the sub-committee consists of SLBC Convenor, RBI & NABARD representatives & senior State Government representative from the concerned department, e.g., Finance/Institutional Finance and two to three banks having major presence. The sub-committee is chaired by the Convenor (i.e., generally General Manager) of the SLBC Convenor Bank.

The Minutes and action points of above mentioned meeting have been placed at **Page Nos.65-84**

4 Review of financial inclusion initiative, expansion of banking network and financial literacy

4.1 Status of opening of banking outlets in unbanked villages, CBS – enabled banking outlets at the unbanked rural centers (URCs).

As per National Strategy for Financial Inclusion (NSFI): 2019-24 – Universal Access to Financial Services guidelines, providing banking access to every village within a 5 KM radius / hamlet of 500 household in hilly areas has been one of the key objectives.

In this backdrop, there are no unbanked villages under 5km radius / hamlet of 500 households in hilly areas in Bihar.

As per RBI guideline in order to comply with the criteria of opening at least 25 percent of total CBS enabled banking outlets in unbanked rural centres (URCs) in Tier 5 and 6 centres, banks should give priority to villages without a banking outlet having population more than 5,000 (i.e. Tier 5 centres).

As regard Tier-6 centres (population less than 5,000), Lead Banks to review the progress in the coverage of such centres in DCC meetings as an additional agenda item.

All the banks have been also advised to update the information on the Central Information System for Banking Infrastructure (CISBI) portal on regular basis.

Letter no. SLBC/RR/2025-26/178 dated 11.08.2025 along with RBI letter no. FIDD.CO.LBS.No. S1108/02.01.012/2024-25 dated 25.10.2024 shared with all the member banks for compliance of RBI instructions related with URCs.

4.2 Review of operations of Business Correspondents (BCs)- hurdles / issues involved

Each bank has their own methodology to review operations of their BCs and there is no hurdle/ issue reported by any Banks.

4.3 Progress in increasing digital modes of payment in State, provision of continuous connectivity with sufficient bandwidth, resolving connectivity issues/connectivity options (Bharat Net, VSAT, etc.), installation of ATMs and PoS machines and status of implementation of e-receipt and e-payments in the State.

Increasing digital modes of payment aligns with the Government's vision of a cashless and inclusive economy, empowering every citizen in their financial decision. The Department of Financial Services (DFS), Ministry of Finance, plays an important role in driving the promotion of digital payments. Efforts to accelerate the adoption of fast payment system like the Unified Payments Interface (UPI) has revolutionized the way financial transactions are conducted, enabling real-time, secure, and seamless payments for millions. The digital payments landscape has demonstrated remarkable expansion.

Reserve Bank of India also plays vital role to develop safe and secure payment system.

For promoting digital payments ecosystem RBI had launched a campaign “**Expanding and Deepening of Digital Payment Ecosystem (EDDP)**”. In the initiative all accounts have been covered with at least one digital banking product like internet banking, debit card, mobile banking, UPI, USSD, AEPS, QR code etc.

With co-ordinated efforts of all banks, LDMs and stake holders the target for 100% digitization has been achieved. Banks have reported this achievement till June 2024.

Important instruction of RBI vide letter No. FIDD (Patna) No./S130/05.01.001/2024-25 dated 09.12.2024 regarding sustainability of the initiative to provide at least one digital payments mode in all newly opened Saving and Current account has been advised to Banks. 4.4 Status of rollout of Direct Benefit Transfer (DBT) in State, Aadhar seeding and authentication.

DBT has emerged as a very important & useful tool in administering financial benefits related schemes of GoI & GoB. With the growing number of DBT beneficiaries day by day, the challenges before the banks for effecting quick and successful DBT transactions has also grown manifold. In order to minimize the instances of failed transactions, proper Aadhar Seeding and authentication with UIDAI of bank accounts of the beneficiaries are the only way out.

The DBT user departments may ensure, beforehand, the availability of Aadhar Seeding with bank accounts of the beneficiaries from the related banks to avoid transaction failures. These Departments should update and correct their account number data base before submitting the same to banks for DBT to minimize the failed transactions and delay in receipt of funds by the beneficiaries. The remitting bank branches should provide details of failed transactions to the concerned customer departments immediately for correction.

The Public Financial Management System (PFMS) has been a cornerstone in the implementation of Direct Benefit Transfer (DBT), a crucial aspect of the Digital India Initiative. The DBT Payment Summary since its inception showcases a substantial increase in both the number of schemes and the amount disbursed, underlining the system's impact.

As on 30.09.2025 status of Aadhar seeding and authentication in operative Current Account Saving Account (CASA) is as under:

TOTAL NUMBER OF OPERATIVE CASA IN BIHAR	TOTAL NO. OF AADHAR SEEDED CASA	TOTAL NO. OF AUTHENTICATED CASA

“Member banks to sanction credit facilities under KCC scheme to eligible farmers without insisting on mandatory coverage under crop insurance till such time an insurance scheme is notified for the concerned crops by the Govt. of Bihar.”

SLBC has accordingly advised to all member banks vide letter no. SLBC/CM/2019-20/117 dated 19.07.2019 which is placed at **Page No.62.**

9 Nationwide KCC campaign to issue KCC to farmers for Agriculture & Allied Activities

As part of the Atmanirbhar Bharat Package for farmers, Hon'ble Finance Minister had announced ₹ 2 lakh crore concessional credit boost to 2.5 crore farmers through Kisan Credit Cards (KCC). Accordingly, a special drive was launched w.e.f 15th November 2021 to provide KCC to farmers, with special focus on PM-Kisan beneficiaries, Animal Husbandry farmers and fishermen.

While reviewing the progress of KCC saturation drive, it has been observed that although, KCC saturation drive has resulted in very good coverage of farmers engaged in crop cultivation, a significant chunk of the farmers engaged in animal husbandry, dairy and fisheries activities, are yet to be provided with the facility of KCC. These farmers are the most unserved segment of the society, in terms of institutional credit for their working capital requirement.

Accordingly, in order to further streamline the process of credit delivery through KCC to the animal husbandry and fisheries farmers, a Standard Operating Procedure (SOP) Guidelines for issue of separate KCC for animal husbandry, dairy and fisheries farmers has been issued on 24.09.2021. The same has been shared with stakeholders. A copy of the SOP is also available on the website of DFS, i.e. [https:// financialservices.gov.in](https://financialservices.gov.in).

Details of progress under the camp is placed at **Page Nos.238-241**.

BOTTLENECKS FACED, IF ANY, AND SUGGESTIONS FOR EFFICIENT UTILIZATION OF RIDF				
Disbursement from RIDF is based on phasing of the loan and expenditure incurred by the State Govt. on the implementation of rural infrastructure projects at the ground level. As and when NABARD receives reimbursement claims from the State Govt. against such expenditure incurred, it releases funds under RIDF to them. As a result, NABARD, with the support of State Govt., has been efficiently utilizing the funds under RIDF.				

* Loan under RIDF is neither of the nature of cash credit nor is it meant for funding working capital. Thus, 'Limit Sanctioned' should be read as 'Amount Sanctioned'.

** RIDF Tranche for the current FY 2025-26 is Tranche XXXI.

*** If we look at the difference between Amount Sanctioned and Amount Withdrawn under RIDF, we get an artificially inflated gap. Rather, in RIDF, we look at the difference between Amount Sanctioned (as per phasing of the loan) and Amount Withdrawn to arrive at the true gap i.e. Drawables.

**** Outstanding includes the repayment amounts due of ongoing as well as closed tranches.

Ongoing Projects means- Projects sanctioned during ongoing tranches i.e. from tranche XXV to XXXI.

23.4 Strengthening of BLBC/ DCC

The functioning of Block Level Bankers' Committees needs to be strengthened and monitored more closely. Besides bankers, it should mandatorily have the participation of all related line departments like agriculture, animal husbandry, dairy, fishery, industry etc. The responsibility of BLBC affairs should not be left solely to the BDOs. The Senior Deputy Collectors (Banking) and LDMs should also attend the BLBC meetings invariably and the issues discussed therein should be reviewed in DCC / DLRC meetings. District Magistrates should ensure this. Functionality for uploading minutes of BLBC/DCC meetings has been implemented on SLBC online Bihar portal (<https://slbconline.bihar.gov.in/>) maintained by Finance Department GoB through NIC.

Details of DCC and BLBC meetings in district are placed on **page Nos. 236-237**.

23.5 E-Stamping of Bank Guarantee

IBA Managing Committee has approved a proposal to examine the feasibility of end to end digitization of trade process and to support the programme of Ease of Doing Business. A Working Group was constituted for the purpose which has suggested the Modalities for implementation of “Automated e-Stamping (AES)”. IBA has requested to discuss the e-Stamping of Bank guarantees in SLBC meeting to take up the matter with State Govt. for its implementation.

During past few years, state governments have brought reforms on stamp duty collection on articles under their jurisdiction. Now the duty-paying customer can make payments on-line and collect the e-Stamp Certificate from the designated government offices / agents. Stock Holding Corporation of India (Stock Holding), an All India Institution specializing on central registration service has been designated as Central Record Keeping and Collecting Agency by most of the state governments. But not all state governments have brought Bank Guarantee as a permissible article under e-Stamping. Govt. of Bihar is requested to list the same, if not listed yet.

While e-Stamping has made the revenue collection process easier for Government, benefits of digitisation have not been fully realised. When banks issue bank guarantee, the banks other than the Agency banks or their clients need to visit the government department / Agency bank to collect the e-Stamp Certificate or Stamp Paper. The physical Certificate / Stamp is made part of the bank guarantee by attaching with and / or printing thereon the document as a proof of having paid the stamp duty.

The Digital E-Stamping eliminates the use of physical certificate / stamp and make the bank guarantee process fully automated. It enables the banking system to move away from paper-based issuance of bank guarantees and helps adoption of international best practices in transmission of bank guarantees and its amendments.

23.6 Pledge financing for agriculture commodities through electronic-Negotiable Warehouse receipt (e-NWR)

Warehousing Development and Regulatory Authority (WDRA) has been established under the Warehousing (Development and Regulation) Act, 2007 for setting up a negotiable warehouse receipt system in the country, making Negotiable Warehouse Receipt (NWR) a prime tool of trade and regulation of warehouse.

e-NWR can facilitate easy pledge financing by banks and other financial institutions. e-NWR also helps to save expenditure in logistics as stocks can be traded through multiple buyers without physical movement and can be even split for partial transfer or withdrawal. e-NWR promote scientific warehousing for storage of agriculture goods and commodities.

In a recent years meeting with Department of Food and Public Distribution, it was decided that the outreach of pledge finance through e-NWRs should be increased.

Separate target of Rs. 13.50 crore for banks in Bihar has been advised by NABARD vide their letter no. 109660/SLBC-0/2025-26 dated 31.10.2025. Target has been allotted to banks in Bihar.

23.7 Fin Tech Adoption

Keeping with the winds of change around the globe, India has placed great emphasis on development of the country's digital infrastructure, in terms of usability, interoperability and accessibility. The Economic Survey 2023 also highlighted the economic growth of the country led by digital infrastructure and how the digital enablements are nurturing India's vision of a \$1 trillion digital economy by 2025. However, the Indian Fintech sector is seeing unprecedented increase in regulations and related compliance requirements.

RBI Governor Shri Shaktikanta Das in his address on April 27, 2023 mentioned that *"The rapid developments and innovations in the financial system, especially in the areas of fintech and digital products pose new opportunities as well as risks. These may affect financial intermediation, payment systems, cyber security and consumer protection. We have to continue monitoring and assessing the implications of these emerging trends, while also developing our own capabilities and frameworks to effectively respond to these challenges."*

RBI is encouraging banks through varied mediums for wider adoption of Fintech, particularly in the agriculture sector, which could help bring in more investment into the sector for long term asset creation and infrastructure development.

In this regard, to play a critical link in feedback loop for concerns that emanate from mushrooming of Fintech entities without adequate oversight, either directly or in partnership with the banks, it is required to continuously monitor the issues pertaining to mushrooming of Fintech entities operating without adequate oversight.

23.8 33rd Depositors Education and Awareness (DEA) Fund Committee

According to Chapter III of The Depositor Education and Awareness Fund Scheme, 2014, a committee headed by Deputy Governor of RBI administers and manages the fund in accordance with the DEAF Scheme. The Committee may from time to time lay down list of activities, the criteria, procedures, etc. for achieving the objectives of the fund i.e., promotion of depositors' interest.

In view of the above, 33rd Meeting of the Depositors Education and Awareness (DEA) Fund Committee was held on April 18, 2023 wherein, inter alia, the Committee directed that all the banks in all the SLBC forum to *"sensitize their staff in handling cases of deceased depositors and dealing with nominees/ legal heirs"*.

23.12 Resolution of issues related to KYC / re-KYC and reactivating inoperative / frozen accounts to avail DBT benefits:

RBI has observed that issues related to KYC/re-KYC processes and the reactivation of inoperative/dormant/frozen accounts, particularly those where Direct Benefit Transfer (DBT) benefits are being credited, are not being addressed in a timely manner by banks. This has led to significant inconvenience for customers, especially those from underprivileged sections of society.

In view of the sensitive nature of this issue, banks are advised to take immediate action which can include organization of special drives or camps for reactivating accounts; enhancing the capacity of branches and enable online KYC updating or utilize the **Video-based Customer Identification Process (V-CIP)** for greater efficiency; deploying Aadhaar-based eKYC authentication modules at every bank branch to simplify the KYC/re-KYC process.

He hoped that 100% of the ACP target during current financial year 2025-26 will be achieved.

He thanked Hon'ble Prime Minister for extending huge reduction in GST rates. Record selling of vehicles is an example of benefits on account of reduction of GST. Reduction in price of motorcycles alone, which has recorded price drop between Rs. 6000/- to Rs 12000/-, is an instance of relief to common people due to reduction in GST. Banks should also take this as an opportunity.
- He emphasised on the Swadeshi campaign being conducted by the government and suggested that people should be vocal for local to promote local products.
- He emphasized the need to establish a comprehensive market infrastructure for agricultural and processed food products. The FI Index for the financial year ending March 2025 is at 67.0 across the country, compared to 64.2 in March 2024. Further, under this policy, 821 coin and note exchange melas were organised across the state in the last 3 months, through which approximately 1.43 crore coins and 8.46 crore new currency notes have been distributed through banks. Approx. 27 thousand people have benefited from the note exchange facility. Recently, RBI has launched indiancurrency@rbi.org.in, website, which will help people in identifying fake notes.

- Keeping in view the importance of the MSME sector, Reserve Bank of India organised a special Town Hall meeting in Patna to celebrate International MSME Day in line with the theme “Enhancing the Role of MSMEs as Drivers of Sustainable Growth and Innovation”. Recent inclusion of Bihar Gramin Bank under CGTMSE is a transformative initiative in unleashing the potential of the MSME sector in Bihar.
- In this context, he mentioned that Policies of Bihar government, with focus on key sectors such as education, infrastructure, agriculture, employment generation, women's empowerment, recent inauguration of the airport in Purnia, the establishment of the National Makhana Board and the launch of developmental projects worth ₹36,000 crore are outcomes of these policies. As a result of these initiatives, the state is firmly on the path of sustainable development, aligned with the priorities of inclusive growth and economic empowerment. Banks will certainly contribute to these areas for economic development of the state.
- CD Ratio: State has registered a slight improvement in CD ratio and needs more efforts from Banks.
- ACP: The overall performance of banks under the Annual Credit Plan (ACP) has improved compared to last year. Collectively, banks have achieved 23.18% of the ACP target as of June 30, 2025, compared to 19.81% in the same period of last year. He expected that Banks will achieve 100% of the target under ACP achievement.
- Regarding NPAs, the overall level of NPAs in the state has increased slightly from 7.57% in March 2025 to 7.72% in June 2025. He suggested that continuous & focused efforts, particularly in the agricultural sector is needed, where NPAs are 17% or more. All banks will step up their efforts and intensify their loan monitoring processes across all sectors.
- Regarding certificate cases, there has been a slight improvement in the number of pending cases. The number has decreased from 4.02 lakh in March 2025 to 3.99 lakh in June 2025. He expressed his confidence that with the continued support of the government, the banks will be able to resolve their outstanding certificate cases in a timely and effective manner.
- He appraised efforts of Bihar government in expediting the digitization of land records. This important reform will enable us to make the credit flow, particularly in agriculture-based lending, more efficient, transparent, and secure.
- In line with the 'bottom-up approach' of the Lead Bank Scheme, this platform serves as a powerful tool for developing action plans based on information and needs gathered at the grassroots level. It results into timely conduct of DCC and BLBC meetings, further strengthening credit flow, and deepening financial inclusion. I would like to express my gratitude to all the stakeholders present here

Since it is a huge sum, he requested Banks to provide support.

- He highlighted the importance of empowering young people in the state. He mentioned that the fund of Bihar which is going to other states, needs to be invested in Bihar itself. With empowerment of youth of Bihar, migration may be stopped. The assistance provided by Banks /FIs is only 22% and this should increase.
- He emphasized the need to further improve the quality of training at RSETI and stated that training programs are needed to promote employment in the industrial sector.
- He stated that, as per the information received, land has been allotted in Patna and Munger districts for RSETI building. Hence, the RSETI buildings in Patna and Munger should be constructed as soon as possible. Furthermore, construction work should be expedited at all other centres where the progress is slow.

- Customer Service Points (CSP) should be allotted to JEEViKA didis to operate. Here, he mentioned that even the Hon'ble Prime Minister and Hon'ble Chief Minister have confidence in JEEViKA didis, so, further at least 500 CSPs should be provided to JEEViKA didis to operate.
- Bihar is the 1st state to launch Mukhya Mantri Mahila Rojgar Yojna. Ladies of about 3 Crore families', would get a credit of Rs. 10,000/- in their Bank accounts. Based on their eligibility to work, further as assistance of Rs. 2.00 lakhs would be provided to them and eventually they will be converted as JEEViKA didis. Financing to individual members of JEEViKA didis may lead to betterment of large

section of society. He also advised that JEEViKA group has good track record of repayment, i.e. upto 98%.

He concluded his speech by emphasising the importance of empowering the women, especially JEEViKA didis in the state and urged the Banks to come forward for this.

5. Sri Jibesh Kumar, Hon'ble Minister UD&HD, welcomed the Hon'ble Ministers, dignitaries present on the dais and all the participants. He mentioned in his opening remarks that, JEEViKA didis are rapidly strengthening the economy of Bihar. We should trust and believe them as they have a good track record of repayment, i.e. upto 98%.

- He drew everyone's attention to the PM SVANidhi scheme, being implemented by the government and stated that the first instalment has been disbursed to 1,62,952 beneficiaries, of which 80,932 have already repaid it. Banks should take this scheme with spirit of service and should strive to ensure that other borrowers also repay their first instalment and get benefit of the increased loan amount. He expressed his concern that 73,557 applications have been returned by banks, of which approximately 39,000 applications were returned after being initially sanctioned. He suggested to all the senior officers present in the meeting to help in implementation of this scheme religiously. He raised concern over the return of already sanctioned proposals. 6. Sri Gautam Kumar Singh, CGM NABARD welcomed the Hon'ble Ministers, dignitaries present on the dais and all the participants. In his opening remarks, he

mentioned that growth rate of Bihar is higher than the national average, but he would like to point out a few issues. The highlight of his speech is as under: -

- In Bihar, the total operational landholding is 164.13 lakh hectares, with an average land size of 0.39 hectares, whereas the average landholding size across the entire country is 1.01 hectares.
- Cropping intensity of Bihar is 144%, which is higher than the national average of 137%. In Bihar, 95 to 96% of farmers are small and marginal. Here, 13 districts are aspirational and 22 districts are credit starved.
- CD Ratio: CD ratio of state is 59.83 %. However, it is a matter of concern that there are 11 districts where CD ratio is less than 50%. Munger district has CD ratio 33%. He assured that NABARD is ready to extend full cooperation in improvement of CD ratio of these districts especially.
- In Ground Level Credit, 23.18% of the ACP target has been achieved in the financial year 2025-26 up to June quarter but in the agriculture sector it is only 12%. GSBA for Agri infrastructure has declined from 49.06% as on 2015-16 to 41.30%. The reason may be increase in ACP Target. But, on all India basis, it has increased.
- Agriculture and MSME sectors are the backbone of our economy and only through these sectors growth engine of Bihar can be geared up.
- In Bihar, 38 lakh KCC has been provided against a total 164.13 lakh hectares of operational land holdings. He expressed his concern and mentioned that last financial year, the total number of KCC was 36 lakh, out of which only 16.70 Lakh KCC accounts were operational, which was only 10 % of total land holding.
- KCC crop loan outstanding is Rs.38.38 lakh Crores as on 30.06.2025, of which 36.85% is NPA, in terms of number. In the case of KCC (Animal Husbandry), NPA is lower, at 11.49% in terms of number against the total outstanding of 1.06 lakh. In KCC (Fisheries) NPA percentage is even lower at 8.71 %. He suggested all bankers to focus on KCC (Animal Husbandry) and KCC (Fisheries).
- He mentioned that a week ago, meeting was conducted by SLBC, on how to increase loan under KCC (AH) and KCC (F). After discussion, LPC/ proof of land was flagged as a major issue by all banks. During this meeting, the banks suggested to request the state government for issuing an order allowing loans up to Rs.1.00 lakh under KCC (Animal Husbandry) and KCC (Fisheries), to be provided without LPC. In this context, he requested the Principal Secretary Finance and ACS Animal & Fisheries resources, participating in meeting that if such an order is issued by the government, it will be very convenient for the banks to provide loans under KCC (AH) and KCC (Fisheries). He also advised to explore financing under KCC (AH) & KCC (Fisheries), which may be beneficial for Banks also, through JLG module.

- Average ticket size of KCC is Rs. 1.04 Lakhs in Bihar, but few Banks are having KCC with higher ticket size, above Rs. 5 Lakhs, such as PNB, Rs. 5.36 Lakhs; Karnataka Bank Rs. 5 Lakhs and Axis Bank Rs 4.07 Lakhs. Such banks are requested to check authenticity of their data reported under KCC.
- He highlighted the importance of timely credit, adequate credit and affordable credit to improve the growth in MSME & Agri sector. Dairy, fishery, Poultry farm mechanization, use of technology in agriculture, holds great opportunities for Banks. Food processing sector is also an important area.
- Value chain financing for Maze, Makhana, Lychee, Pointed Gourd, mushroom to be prioritized. In this regard, Banking plan would be provided by NABARD in collaboration with Bihar Government for Agri, MSME sector growth.
- NABARD has extended a financial support of RS. 14,200 Crores in the last FY 2024-25 to Bihar government and financial institutions for infrastructure development as well as CFF products for food procurement. In the last 3 years, Rs 34,000 Crores financial support has been extended by NABARD for the same. A sum of Rs. 25 Crore has been invested towards developmental projects. About 25000 camps for Financial Inclusion and Financial literacy have been organized by different banks with our support.
- In Bihar more than 1700 FPOs are in force, out of which, NABARD has 300 FPOs. For these, Bank financing can be done as credit guarantee is available from Government of India. Under NABARD developmental project, Cluster base financing can be done. Financing for 70 water sheds has been carried out, resulting in benefit to more than 1lakh people. Tribal development program is carried out in more than 30 Tribal pockets in Bihar, which has opened up possibilities of financing by Banks. Planet resilient agriculture is also a focus area and NABARD is actively taking up such activities.
- He mentioned that Rs. 2 crores support has been provided to RSETIs towards infrastructure development by NABARD in the last FY. Approximately 854 Micro ATMs are provided to Co-operative Banks. More than 1000 Micro ATMs are lined up to be provided in the current FY 2025-26 to different Co-operative banks.
- He informed that, in a meeting with secretary, corporation, it has been decided to give targets to DCCBs for KCC and Agri credit (Term Loans), so that the members of PACS be benefitted.

He concluded his speech by committing towards the development of Bihar with the help of Banks, in collaboration with the state government.

7. Dr. S Siddharth, Development Commissioner, welcomed the Hon'ble Ministers, dignitaries present on the dais and all the participants. The highlights of his speech are as under: -

- CD Ratio- The CD ratio of the state is at 56.67% as on 31.03 2025. He compared it with the CD ratio of Andhra Pradesh, which is at 155%, Telangana at 128% and Tamilnadu at 126% as on 31.03.2025, UP 54%, Maharashtra 98%, Gujrat at 86%. He mentioned that Bihar is the fastest growing state, but the CD ratio is worrisome. The rate of growth in CD ratio since 2023-24 is not very encouraging.
- ACP- The overall performance of banks under the Annual Credit Plan (ACP) has decreased as compared to past few years. In 2022, ACP achievement was 108%, which is decreasing year on year basis.
- He envisaged that whenever credit disbursement through Banking infrastructure slows down, state comes forward to fill in the gap. Bihar student credit card is an example, Bihar Udyami Yojna for SC/ST, JEEViKA, Mahila Rojgar Yojna are among a few.
- Banks may identify beneficiaries with the help of different departments of state government to whom support has been provided under different schemes. Banks can finance these persons with enhanced limit. Bankers should rethink about their Banking priorities and come forward in financing aggressively.

Institutional credit to be encouraged. Lending towards JEEViKA and EWS to be emphasised.

He concluded by extending his thanks to SLBC and called for collective development of the state.

8. Dr. N. Vijaya Lakshmi, ACS Animal & Fisheries resources welcomed the Hon'ble Ministers, dignitaries present on the dais and all the participants. A presentation of Animal and Fisheries resources department was displayed for overall understanding by bankers. The highlights of her speech is as under: -

- In terms of Animal husbandry resources, Bihar is at 4th position in cattle, buffalo and goat population. 4581 Goat farms, 6000 broiler farms and 900 Layer farms have been established so far. Small investments may create big impacts. In Poultry, our performance is low, but progress is going on in this sector. Brochures related to different scheme is also distributed among all participants for awareness.
- Hon'ble Prime Minister has launched a project in Purnia for 5 lakhs dosage of Sex sorted Semen. The semen production will take place at Purnea Semen station (also inaugurated by Hon'ble Prime Minister in 2020), which is a world class facility. This may eradicate the menace of stray cattle. This indigenous technology is developed by NDDB at Purnia. This will create a very big impact on economy in coming years.
- She urged to invest in this sector as it would support money circulation in the economy, resulting in huge impact on household level lifestyle and productivity. She urged to recognize this sector as industry under MSME sector as it generates

employment, as well as wealth. 12 lakh employment has been generated in the past 5 years. In the coming 5 years, the employment generation is anticipated to be at 17 lakhs.

- She described about Govt of India scheme, National Livestock Mission, objectives of which are fodder processing unit's establishment, research & innovation, insurance & risk management, facility building and skill-based training. One of the important components of NLM is EDP: Entrepreneurship Development Program, which aims to promote startup ventures. For EDP, 50% capital subsidy is available which is backed by NABARD.

EDP aims to encourage rural entrepreneurship, for generating employment and additional income, enhancement in production processing and adding livestock value chain. Animal Husbandry and Fisheries department is working with agriculture department, Bihar, to bring a policy on FPO.

- She advised Banks to provide financial assistance to Dairy farms, Sheep & Goat rearing units, Piggery units, Poultry farms, Milk chilling processing units, Animal feed manufacturing units, modernization of existing units and many more. 50% of capital subsidy is available and individuals, JEEViKA didis, co-operatives, JLG, FPO, MSME, all are eligible to apply under these schemes of Government of Bihar. Challenges towards these are Collateral issues, low credit offtake, low awareness of scheme, unavailability of market intelligence and price fluctuations, land related issues and lack of business training.
- She also mentioned that CD ratio is getting affected by Land related issues, lack of digitization of land records, since it restricts the access to credit. She expected that Bihar Government is making efforts towards digitization, which will give good results in future.
- She appraised all Banks to sit together for resolving land related issues upto Rs. 1.00 lakh and urged all Banks to take similar decision for big loans also. In most of the Government of India schemes, lease registration for 10 years or more is required. She also requested registration department to take into consideration, the period of lease for 10 years for the GOI schemes, as the fee is too high.

Since the fee is too high for registration of lease for the period of 10 years or more, the aspiring entrepreneurs cannot afford this. The Animal & Fisheries resources department has agreed upon with the period of lease to be executed for 9 years 10 months for Government of Bihar schemes to avoid high registration fee for the lease.

On closing note, she requested all Banks to see the growth and wealth creation potential in Agri sector and extend financial support to the Government sponsored schemes.
